For Utah Scholarship:

Starting in Fall 2020, the For Utah Scholarship creates a fully funded path to a University of Utah degree. The initiative covers four years of tuition and fees for Pell grant-eligible Utah residents.

This scholarship will increase access to higher education for Utah residents and ensure they not only can enroll, but graduate.

The university is committed to helping students complete their degrees and reducing barriers to college such as tuition costs. admissions.utah.edu/forutah
